Future Work and Impact

Future Schemes of Work

- Ventilation Shafts for Bathrooms and Kitchens
- Fire Risk Assessment Actions

Impact

- Access to flats required
- Notified in writing

How can you help?

- Let us know if something is damaged
- Let us know if the communal areas have items in them that should not be there
- Let us know if your personal circumstances change, even temporarily, that means you may require assistance to evacuate in an emergency
- Let us know what information you want from us in relation to the safety of your building

Any Questions?
